WELCOME TO NURSING
YORK ORIENTATION DAY
AT STONG COLLEGE
Land Acknowledgement

“York University acknowledges its presence on the traditional territory of many Indigenous Nations. The area known as Tkaronto (Toronto) has been care taken by the Anishinabek (a-nish-na-bek) Nation, the Haudenosuanee (ho-dee-no-sho-nee) Confederacy, the Wendat, and the Metis. It is now home to many Indigenous Peoples. We acknowledge the current treaty holders and the Mississaugas of the New Credit First Nation. This territory is subject of the Dish With One Spoon Wampum Belt Covenant, an agreement to peaceably share and care for the Great Lakes Region”

TAKING CARE OF YOUR MENTAL HEALTH
Two of these statements are TRUE, one isn’t. Which one is FALSE?

**QUESTION 1:**

a) Mental health means being free from mental illness and stress related emotional problems in order to function at your best

b) Mental health means striking a balance in all aspects of your life: social, physical, spiritual, economic and mental

c) Maintaining mental health involves emotional well-being, including giving yourself permission to take a break from your worries and concerns

The FALSE statement is …. 

a) Mental health means being free from mental illness and stress related emotional problems in order to function at your best

The TRUTH is …. 

• Everyone has mental health
• “Mental health means striking a balance in all aspects of your life: social, physical, spiritual, economic and mental…. Your personal balance will be unique, and your challenge will be to stay mentally healthy by keeping that balance.”

Two of these statements are TRUE, one isn’t. Which one is FALSE?

**QUESTION 2:**

a) Our goal is to eliminate stress

b) Stress can motivate us to perform better

c) High levels of stress can negatively impact our performance

The FALSE statement is ....

a) Our goal is to eliminate stress

The TRUTH is ....

- Eustress is the good stress that motivates you to continue working - everyone needs a little bit of stress in their life in order to continue to be happy, motivated, challenged and productive
- Bad stress, or distress, is when the good stress becomes to much to bear or cope with

Two of these statements are TRUE, one isn’t. Which one is FALSE?

**QUESTION 3:**

a) 1 in 5 people in Canada will experience a mental health problem or illness in any given year

b) Young people aged 15 to 24 are more likely to experience mental illness and/or substance use disorders than any other age group

c) 30% of people with a mental health problem or illness won’t seek help for fear of being labeled

The FALSE statement is ....

c) 30% of people with a mental health problem or illness won’t seek help for fear of being labeled

The TRUTH is ....

60% of people with a mental health problem or illness won’t seek help for fear of being labeled. This is indicative of the persistent stigma of mental health and illness.

Two of these statements are TRUE, one isn’t. Which one is FALSE?

**QUESTION 4:**

a) York has professional counsellors on campus that students can access for free

b) Good2Talk is a club on campus that facilitates mental health debates
