Succeeding at York

Available Resources and Services

Current State – Student Perspective

Are you currently building connections?

Are you accessing on campus resources?

Do you understand your rights and responsibilities as members of an inclusive, engaged learning community?

Tentanda Via:

The way must be tried.

Are you clear about your sense of purpose?

How does your current program of study relate to the following:

- Personal interests
- Passions
- Life aspirations
- Career Goals

Do you feel you have the tools and techniques to be successful?
