Student Leadership Award Ceremony

March 19th, 2013

Presented by:
Faculty of Health, Calumet College and Stong College

Messages from the Dean, Faculty of Health, and the Masters of Calumet and Stong College

Harvey Skinner, Dean Faculty of Health

As recipients of tonight's student leadership awards, you exemplify the commitment of the Faculty of Health, Calumet and Stong College to developing new student leaders who demonstrate excellence in so many endeavours. Congratulations and enjoy the evening knowing that your contributions have made a difference to the

broader York community.

David Leyton-Brown, Master Calumet College

Student leadership involves more than simply holding a position. It means making a difference, and having a positive effect on the experience and lives of fellow students. This event is intended to recognize and honour an outstanding group of students who have made that sort of difference.

In celebrating their past leadership, we are confident that they will go forth from York as agents of change to continue to make a difference to the society in which they will live and work.

Martha Rogers, Master Stong College

Kouzes and Posner, author of the *Leadership Challenge*, have said "Somewhere, sometime, the leader within each of us may get the call to step forward". Tonight we are celebrating those students who heeded the call and stepped forward to accept the challenges put before them. You have demonstrated leadership skills in your roles

positively shaping and transforming the experiences of York University students. As leaders of today and tomorrow, you inspire all of us with your capabilities and commitment, and fill us with hope for the future. Take pride in your achievements. Congratulations.
