Congratulations and enjoy the evening knowing that your contributions have made a difference to the broader York community.

**Myriam Mongrain, Interim Master, Calumet College**

Dear Students, You have demonstrated wisdom and maturity through your leadership and service activities. All of you deserve recognition for your initiatives and desire to make a difference. You have already shown dedication and commitment to make this society better. Follow your bliss and doors will continue to open up for you. Listen to your passion, and you will find yourself on roads never imagined before. Your path will be full of meaning, and you will be engaged in the excellent work that you were meant to do.

**Lesley Beagrie, Interim Master, Stong College**

Kouzes and Posner, author of the *Leadership Challenge*, have said "Somewhere, sometime, the leader within each of us may get the call to step forward". Tonight we are celebrating those students who heeded the call and stepped forward to accept the challenges put before them. You have demonstrated leadership skills in your roles positively shaping and transforming the experiences of York University students. As leaders of today and tomorrow, you inspire all of us with your capabilities and commitment, and fill us with hope for the future. Take pride in your achievements. Congratulations.
